

Q1 2021 In-Patient Outcome Data

0/5

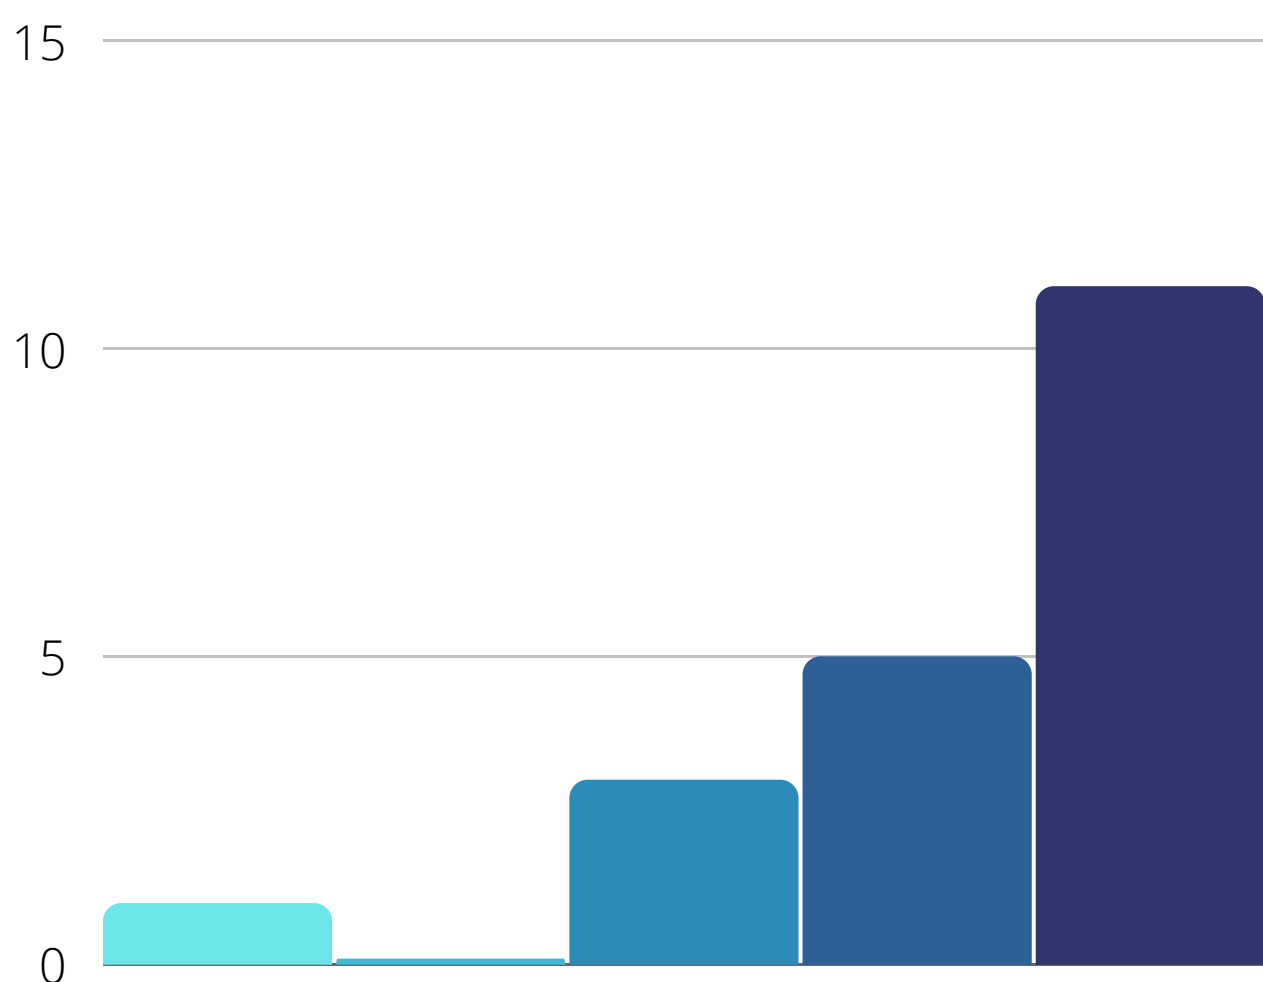

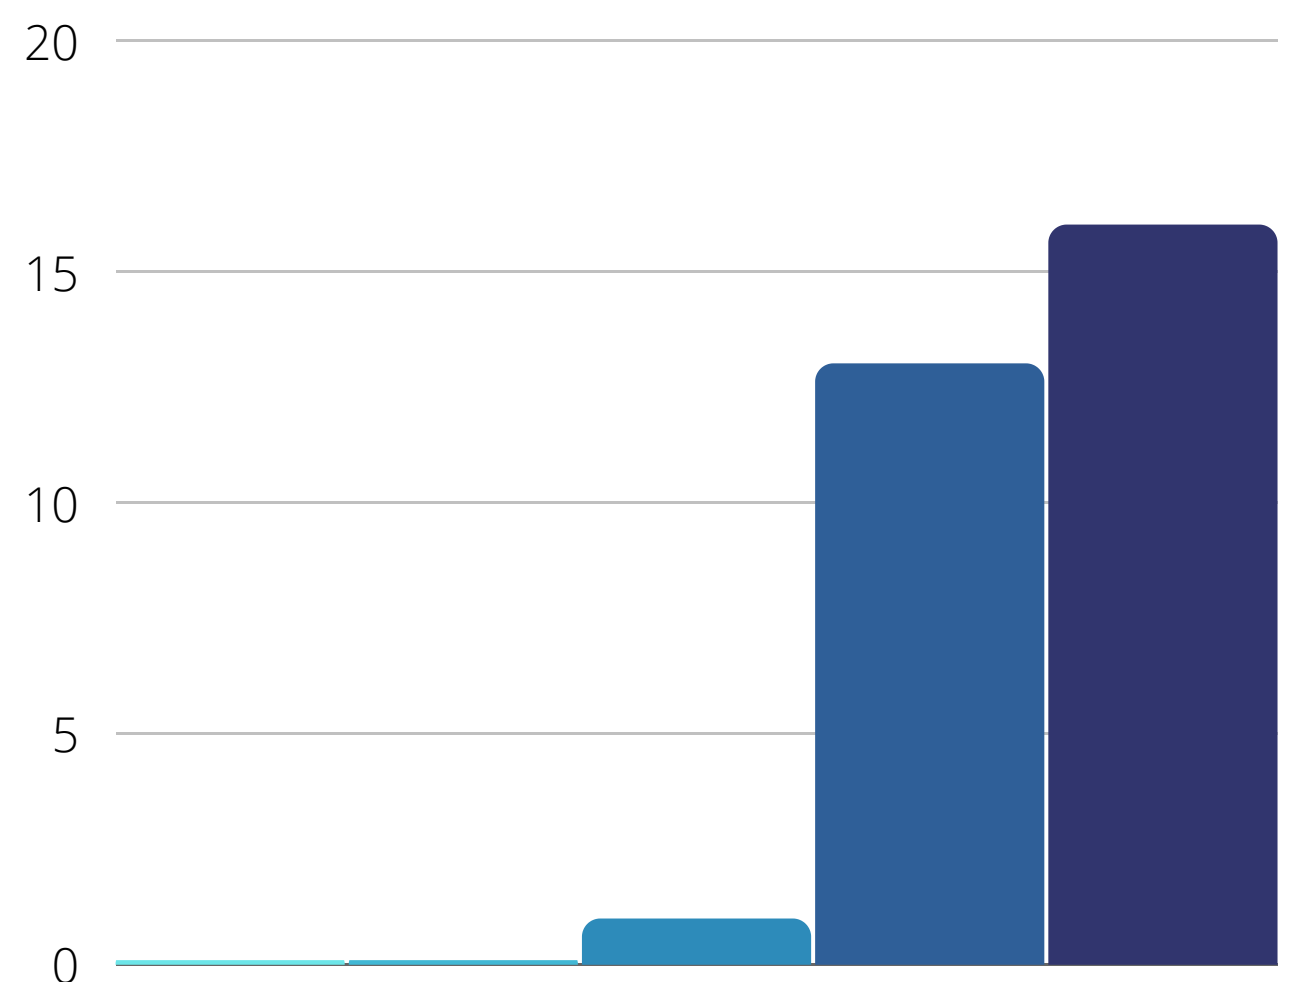

The family program was helpful.

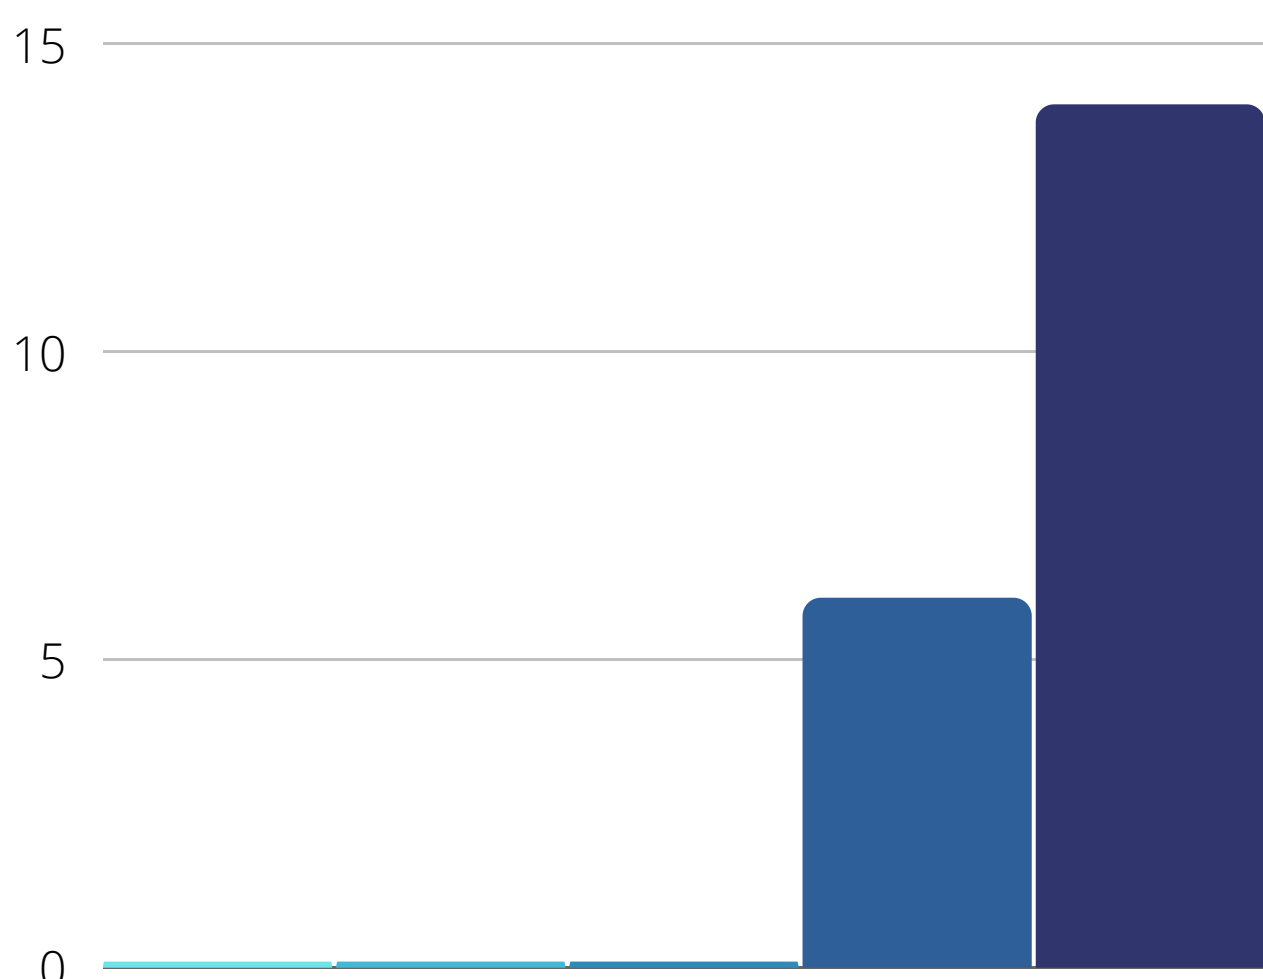

I felt I could approach my counselor with individual problems.

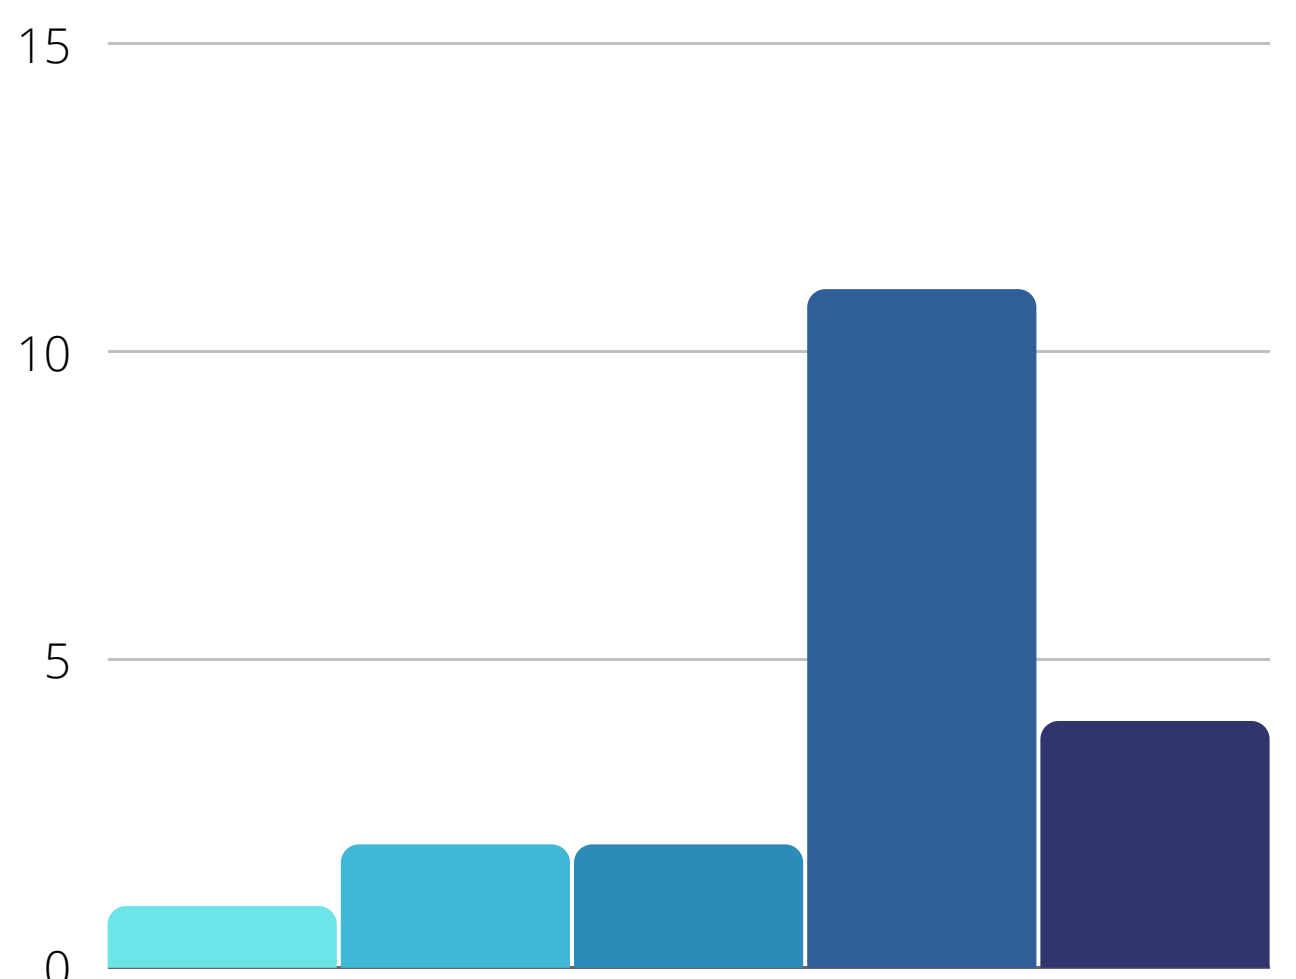

Rate the staff in general (helpfulness, attitudes, etc.)

Education lectures were especially helpful.

My counselor was helpful in group sessions.

House Rules, Regulations, and the manner in which they are carried out are fair.

What one thing stands out in your mind as being the most helpful thing in the program?

What presentations were especially helpful?

What are your comments about living conditions? (rooms, food, etc.)?
